the right advice is easy to find

Your health is important, so don't ask just anyone. Get the right advice from trusted professionals at your local Terry White Chemists store. **it's good to know**

Agency: Sopient

"I can say this..."

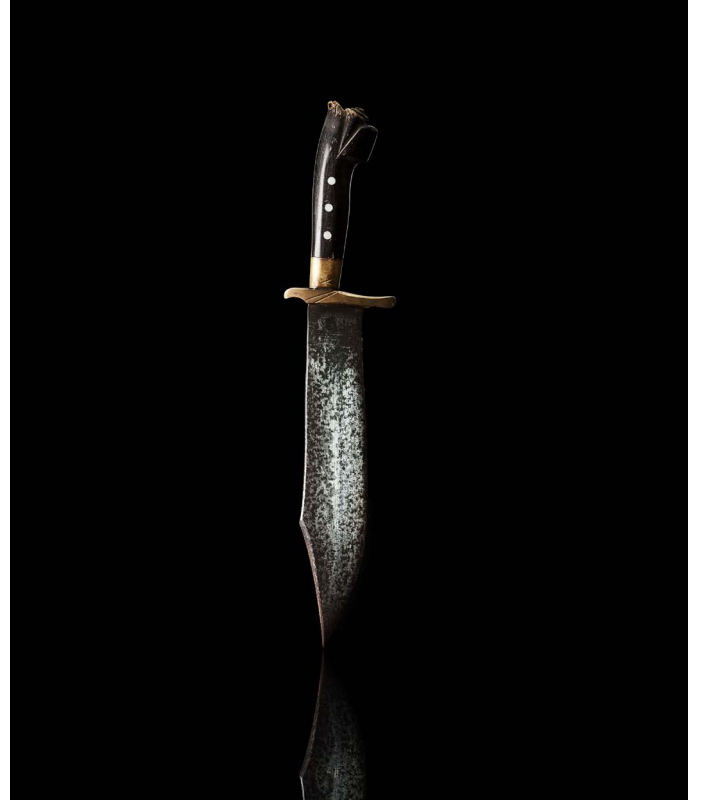

The economy needs a shake-up. The schools need a shake-up. Forget about the Middle East and worry about our own backyard. We should lower the minimum wage. It's about time Arnie made a comeback. Peter Costello's smile is scary. We'll all be immune to cancer soon. Men should not give birth. The tuxedo is back.

"

Have a view every day.
